

Patsy

Director of Cardiovascular Services

7 years of service

- **Why have you been at Saint Elizabeth so long?**
 - I simply have never worked anywhere better. The people and culture here at Saint Elizabeth would make it very difficult to leave. It's the first place that I've ever worked where I can truly say these people are my family.
- **What has been your favorite moment at Saint Elizabeth?**
 - Spending time with a patient's daughter. She said "I wish my friend was here so he too could feel close to God like I do when I'm here at Saint Elizabeth". It's comments like this that make me go home thinking I had a great day today!
- **Tell us about the fun side of Saint Elizabeth.**
 - Saint Elizabeth has a number of events throughout the year that make it possible for our families to get together and have fun with our "work family," i.e.: Easter Egg hunt, Summer picnic.
- **Tell us about the people you work with.**
 - I work with the most professional and caring bunch of people. They will always give more than 100% to ensure that our patients have a positive experience. When someone on the staff is struggling with a personal issue we all struggle, when someone is celebrating an event, we all celebrate!
- **Quote**
 - If you're looking for a place where you can grow professionally, feel supported by your peers, where the administrative team knows you by name, and have it all centered around prayer then Saint Elizabeth is the place for you.
