It was the middle  
of the night and my  
mom took me a walk.

I was hungry and  
tired she said I  
could not have food  
till the surgery was  
ended and that she

would carry me out  
to the car. We drove  
for a little while and  
then we stopped at  
the Nebraska surgery  
center. I walked  
slow. The same nurse  
we had the last

three times she came to

pick us up. She said

"I know you my

mom ansrd "I know

you too" then the

nurse gidede me into

the same surgere

room we had the

I want to tell you

about the surgery

but I was asleep.

When the surgery

was ended and the

nurse was whetting

me back... I could

hear! I could

actually hear! It

was <sup>(awesome)</sup> so cool to hear

all the other

nurses talking

and when I

came home

I could hear my

brother, sister, and dad
